For Family units with more than 10 persons, \$5,140 for each additional family member						

Class I - Preventative Visits

*Status A Patients are asked to pay a nominal fee of \$50 for dental services.

**Status B, C, D and E are asked to pay a down payment at the time of visit and will be billed for the remainder of their charges after discount.

Class II - Major Services

Status A - Are asked to pay nominal fee at time of service, Labs and equipment associated with procedure will be billed at 40% of cost

Patient will meet with a dental representative prior to services offered for an estimate of charges

*Status B - E are asked to pay 50% at the time of visit. Balance will be billed for the remainder of their charges after discount.

If patients are unable to pay the down payment or the balance billed they may make payment arrangements with billing department prior to visit.

Payment plans will require 50% down and payments of \$100 a month.

Status F are not eligible for discounts. They are asked to pay a down payment of 50% and will be billed for the remainder of the balance.

*** Any patient paying their bill in full within 60days of statement will receive 20% discount (patient must call Billing Dept to have discount applied)

Country Doctor provides all services regardless of a patient's ability to pay. If a patient is not able to pay the nominal fee or down payment at the time of visit, they will be asked to pay any amount they can.
